

OSITE Student Scholarship Application Information

OSITE

Ozarks Section Institute of Transportation Engineers (OSITE) is the section of the Institute of Transportation Engineers (ITE) serving the transportation community of Southwest Missouri. This transportation community includes traffic and transportation professionals representing public agencies, academic institutions, private industry, and consulting.

Scholarship

Transportation is important to the economy across Southwest Missouri as well as our nation and our world. As such, it is critical that professionals be available to maintain and expand our systems of delivering goods and services. To further this effort, OSITE is offering an academic scholarship to deserving students pursuing course work in engineering in the hope that the recipient will continue into a career in the traffic/transportation field.

Eligibility

To qualify for the OSITE Student Scholarship, in the current academic semester a candidate must be:

- A junior, senior, or graduate student at a University (preference may be given to applicants attending a University located in the OSITE region)
- Enrolled in and / or completed traffic and/or transportation engineering course work.
- Previous recipients of this scholarship are not eligible.

Application

To apply for the OSITE Student Scholarship, you must:

Complete and submit the enclosed **application form** along with **resume** and **letter of recommendation**. Submit all application materials to Jason Saliba, OSITE Secretary, at jsaliba@springfieldmo.gov with the subject line entitled "OSITE Spring 2023 Scholarship," or by mail to the following address:

OSITE Scholarship Committee
Attn: Jason Saliba, OSITE Secretary
840 N Boonville Ave.
Springfield, MO 65802

All applications must be received by **Friday, February 24, 2023**. All applicants will be notified of the selection by Friday, March 3, 2023.

Selection Criteria

Candidates will be evaluated based on their proposed program of study, career objectives, presentation, and recommendation from their university professor. The OSITE selection committee reserves the right to consider regional universities located within the OSITE coverage areas when considering similar deserving applicant as a final award criterion. Applicants who do not meet the eligibility requirements and/or fail to comply with the application process will not be considered.

Amount

OSITE is making available two (2) \$500 scholarships available during the Spring 2023 semester.
